

WE MAKE  
**E · MOTIONS**

# COMPREHENSIVE · SERVICE

By working with us, you choose a committed contractor who provides comprehensive service. Our main guideline is thoughtful action that focuses on goals. We don't have a universal solution for all customers. We approach each client's needs individually.

WE STAND OUT WITH OUR ·  
**IDEAS AND CARE FOR AESTHETICS**

# STAGES · OF · PRODUCTION

**1**

## IDEA

We'll ask you about your goals and define your expectations.

**2**

## VISUALIZATION

After initial details have been established, we'll prepare a 3D visualization.  
We'll embed the stage and screens in the space where your event is taking place.

**3**

## TECHNOLOGY

We'll arrange the details regarding all technical matters.

**4**

## CONTENT

Based on the provided graphics - or those created by us - we will design an animation package that will be displayed during the event.

**5**

## PRODUCTION

The final stage, in which we combine the elements of the entire process and present the end result of the project.
